

Ofsted Inspection

As you may be aware, we recently received our Ofsted inspection, the report is now available for anyone to view on the Ofsted website and we would like to take this opportunity to share the report with all of our families.

We received an outcome of 'Good' in all areas, having only re-opened in September 2012 on very limited financial resources; we feel we have achieved a fantastic result. The staff and committee have worked hard to reach this standard and the one area highlighted for improvement already had plans in place for development. We will be developing the outdoor areas to enhance all areas of the curriculum and working closely with 'Brough in Bloom' to bring some beautiful colours and aromas onto our balconies!

We would like to take this opportunity to thank all our families for your continued support and hope you are as pleased with the Ofsted report as we are. If you would like to make any comments about the report or have suggestions for the development of the setting please feel free to speak to me at any time or you can email me at glee@glee.karoo.co.uk

Thank you again for your continued support

Gillian Lee
